

## Introduction & timetable

### KEY INFORMATION

<b>COURSE TITLE:</b>	Time Traveller's Coastal Britain - 10 hour-long live Zoom sessions
<b>LEVEL:</b>	The course is designed for anyone interested in learning about geology and time in some great parts of coastal Britain.
<b>DATES:</b>	The course is on Mondays at 2pm or 7pm commencing October 18 for 10-weeks
<b>DELIVERY:</b>	Course participants can access supporting materials in print form, or by Moodle and Email. Printed papers cost £20.00 extra. A weekly Zoom meeting is at the heart of this course, Mondays at 2pm or 7pm
<b>COURSE TUTORS:</b>	Chris Darmon & Colin Schofield
<b>CONTACT:</b>	email: <a href="mailto:downtoearth@geosupplies.co.uk">downtoearth@geosupplies.co.uk</a> or tel. 0114 2455746

### WELCOME TO THE LEARNING ZONE...

We welcome everyone to our **Down to Earth learning zone**, whether this is your first time, or you are a regular! You'll be joining a community of learners across the UK who will come together on a weekly basis in Autumn and Winter to discover more about our fascinating subject. We provide a relaxed learning environment in which we can all learn both from the tutor and each other. We'll be providing weekly materials that will lead you to find out more, doing your own bit of research on the internet, or even searching your own memory and sharing what you find with others. Weekly live Zoom meeting on Mondays at 2 or 7pm are the heart of this learning experience.

Chris Darmon has had extensive field experience in the UK and abroad over a 45-year career and has taught adults in Sheffield for more than 30 years; for the LEA, the University of Sheffield and the Workers' Education Association. For the past eight years he has had experience of delivering distance learning courses to learners around the country. Colin Schofield has worked with Chris during all of the time he's been delivering distance learning. Colin not only handles the technical side of Zoom and the administration, he's also an integral part of the learning experience. He adds in much of the learning materials to the Zoom sessions as well as being your first point of contact.

***To protect our materials, we must ask you to agree not to share them with anyone not enrolled on the course by any means, including email. This is a condition of you enrolling on this course.***

### INTRODUCTION TO THE COURSE...

Over the past five years, we've studied more than 20 specific areas of the UK as part of our "Time Traveller's Britain" series. In this course, we take in 10 more brand new stretches of our coastline to bring you "Time Traveller's Coastal Britain". Think of it as the 'missing' part of many a BBC "Coast" programme! The coastal rocks are what make the local landscape that we can enjoy today. We'll examine the bedrocks and the superficial deposits that can be seen and explain the landscape that they give us.

### COURSE TIMETABLE

*Listed below are the topics, that will be presented in the order shown.*

<b>October 18</b>	<b>North Cornwall</b>
<b>October 25</b>	<b>Berwickshire &amp; Northumberland</b>
<b>November 1</b>	<b>North Somerset</b>

<b>November 8</b>	<b>County Antrim</b>
<b>November 15</b>	<b>Tyneside &amp; Wearside</b>
<b>November 22</b>	<b>Orkney Isles</b>
<b>November 29</b>	<b>Suffolk</b>
<b>December 6</b>	<b>Moray &amp; Nairn</b>
<b>December 13</b>	<b>Mull &amp; Iona</b>
<b>December 20</b>	<b>Pembrokeshire</b>

## **PRACTICAL POINTS**

- To take part in this course, you'll need a computer, iphone or tablet with access to the internet. You'll also need a valid email address - please supply this at the time of enrolment.
- Additional background material will be available as pdf files, or can be supplied in printed form by mail. A broadband connection would be very helpful, but is not essential.
- To access Moodle, Colin will give you some simple instructions and a password.
- To take part in the live Zoom presentations, you'll obviously need a camera and microphone.
- Shortly before the course begins you'll be sent the Zoom login and password which will be constant throughout the course.

## **THE COST**

The cost of this course is £50.00 per person (or £70.00 for two people studying together). If you would like to have the background materials printed and mailed to you, this is an extra £20.00.

## **HOW TO ENROL**

You can enrol by visiting our website and entering the online shop - look under courses - and payment can be made using a wide variety of cards.

***www.geosupplies.co.uk***  
***or you can ring us on 0114 2455746***
